Filings At Your Fingertips

Get notified via text message (SMS) or e-mail as soon as your case is updated on the OCSN, including opposing councils filings. That means you'll have more time to prepare your response.

Stay Ahead of the Curve

No more waiting for deadlines! Start your responses early, and deliver unmatched support to your clients by advising them of any pending motions, court orders, or warrants.

Manage Your Cases, Not Your Time

Never wait on opposing counsel again. Drawing information directly from your state courts network, you can stay apprised of each of your clients and your cases passively.

The ultimate goal of a more effective and efficient life is to provide you with enough time to enjoy some of it.
