ABOUT OUR RESTAURANT FOOD & DRINK

At El Charro we proudly serve quality Mexican food...fast. All our dishes are made-to-order including our meats that are never pre-grilled. Fast food shouldn't sacrifice freshness, which is why we stand by our Small Place, Big Flavors! motto.

Our hand prepped ingredients and 100% in-house cooking means the freshest foods are always kept on hand. Eating in means you can enjoy our salsa bar and impeccably pristine environment cared for by a fully certified staff.

We also offer a catering service that's perfect for birthday parties, company events, and fundraisers with a client list of many local charities including the Ronald McDonald House.
